Additional information:

We have frequently been asked to provide a membership list – as was provided in the past. Unfortunately, this is no longer possible at this time, due to General Data Protection Laws, without additional legal formalities.

Our offer: Those who explicitly agree to the transfer of their own data, will receive a list with the contact details of the other consenting members. Somewhat bureaucratic, but has to be. The list is used to contact each other and possibly get roadside assistance if you need it.
